

Currency Converter App

Output

The screenshot shows a web browser window titled "Currency Converter". The page has a light blue background. At the top, the title "Currency Converter" is displayed in a bold, dark blue font. Below the title, the word "Amount" is centered. Underneath "Amount" is a white input field. Below the input field, there are two dropdown menus: "From" and "To". The "From" dropdown is currently set to "USD" and the "To" dropdown is set to "INR". Between these two dropdowns is a small white box containing an equals sign (=). Below the dropdowns is a blue button with the text "Convert" in white.

The screenshot shows the same "Currency Converter" web browser window. The "Amount" input field now contains the number "57". The "From" dropdown is now set to "EUR" and the "To" dropdown remains set to "INR". The blue "Convert" button is still present. Below the button, the result of the conversion is displayed: "57.0 EUR = ₹5225.21 INR". Below this, the exchange rate is shown: "Exchange Rate: 1 EUR = 91.6703 INR".
